El Matareya – Cairo, Egypt 

Professional Summary

Urban and Regional Planning graduate with expertise in regional planning, urban development, and geospatial technologies. Skilled in spatial analysis, critical thinking, problem-solving, and transforming complex spatial and statistical data into actionable planning insights that support strategic decision-making. Proficient in GIS database management, spatial modelling, and cartographic design, with practical experience gained through real-world projects, including regional development studies, village planning updates, and GIS database development for land parcels.

Work Experience

Regional Planning Expert Assistant

OCT. 2025 – APR. 2026

Faculty of Urban and Regional Planning - GOPP | Cairo, Egypt

- Contributed to the Regional Studies Update Project for villages in Fayoum Governorate, commissioned by the General Organization for Physical Planning (GOPP).
- Prepared urban, economic, demographic, and social studies to support regional planning analyses.
- Developed and managed GIS geodatabases for villages using ArcGIS Pro to organize and analyze spatial information.
- Collaborated with regional planning experts to produce technical studies and planning deliverables throughout the project.

GIS Specialist - Freelancing

SEP. 2025 – APR. 2026

Aaql Constructions | Al Sheikh Zayed, Giza

- Processed and standardized AutoCAD land parcel drawings for integration into the Sheikh Zayed City Authority GIS database.
- Converted CAD datasets into GIS feature classes and managed geospatial editing using ArcMap.
- Maintained spatial accuracy through coordinate system correction, topology checks, and database updates.
- Incorporated municipal review comments to produce validated GIS datasets that met project requirements.

Urban Planning Intern.

AUG. 2025 – SEP. 2025

AAW Consulting Engineers | Al Doqi, Giza

- Developed landscape working drawings for wastewater treatment plant projects in Saudi Arabia using AutoCAD.
- Prepared the technical report for the Detailed Plan of the Qoz Al-Nakasa District in Makkah in accordance with planning regulations and development standards.

Urban Planning Intern.

JUL. 2025 – AUG. 2025

SEDUM Designs | Al Doqi, Giza

- Prepared the detailed planning report for a coastal development project in Jeddah, Saudi Arabia, using Adobe InDesign.
- Contributed to the project's detailed urban plan using AutoCAD in compliance with planning standards.

GIS Analyst Intern.

AUG. 2024 – SEP. 2024

Al Sheikh Zayed City government office | Al Sheikh Zayed, Giza

- Collaborate with cross-functional teams to develop and maintain accurate and reliable geospatial databases.
- Collect and manage geographic data from various sources, create and update digital maps, and ensure data compatibility with GIS software.

Site Engineer Intern.

JUL. 2024 – AUG. 2024

The Arab Contractors | Al Azbakia Garden, Attaba, Cairo

- Collaborate closely with project managers, architects, and subcontractors to ensure timely completion.
- Oversee and manage construction activities at the site, ensuring adherence to project specifications, codes, and safety regulations.

Achievements and Activities

- Represented the faculty in an official visit to China State Construction Engineering Corporation "CSCEC" (2025/26).
- Contributed to preparing the sustainability standards portfolio that won First Place in Cairo University's Green Faculty Competition (2024/25).
- Ranked Second in the Regional Development Department for outstanding academic performance (2024/25).
- Contributed to preparing the first edition of the Visual Identity Guidelines for Cairo University (Oct. 2025).
- Led and delivered a recycling workshop for the Children's University visit to Cairo University, supervising activity implementation and participant engagement (JUN. 2025).
- Completed the Idea Generation Bootcamp, strengthening creative problem-solving and innovation skills (JUL. 2025).

Technical Skills

- **GIS and Geospatial:** ArcGIS Pro, ArcMap, QGIS, Spatial Analysis, Spatial Modelling, ArcGIS Model builder, Cartography, Geodatabase Management.
- **Design and Modelling:** AutoCAD, Revit, SketchUp, Twinmotion.
- **Documentation and Data Tools:** Adobe Photoshop, Illustrator, and InDesign, Microsoft Excel, Access, PowerPoint, and Word.

Education

B.Sc. in Urban and Regional Planning

OCT. 2021 – JUL. 2026

Faculty of Urban and Regional Planning, Cairo University | Cairo, Egypt

- Overall GPA: 3.40 / 4.00 (First-Class Honours, "A-")
- Graduation Project: "*Urban Readiness Requirements for Regional Competitiveness Zones*" (Excellent, "A")

Secondary Education Certificate

SEP. 2018 – MAY. 2021

East Riffa Secondary School | East Riffa, Bahrain

- Overall grade: 98 / 100 (Excellent)

Languages

- **Arabic:** Native
- **English:** B1 (Intermediate)
